The City Mission of Cleveland's
Running with a Mission
10th Annual 5K Run

The City Mission has provided help to those hurting and homeless in Cleveland for over a century. They work to meet the basic human needs of food, shelter and care for members in the community.

Running with a Mission is one of The City Mission's most exciting events of the year and will take place on September 18, 2021 at Edgewater Park.
