Cleveland patent attorney Bruce E. Peacock assists both domestic and global companies secure, protect and defend their intellectual property rights. He specializes in patent and trademark enforcement and prosecution.

Professional Experience

Cleveland patent attorney Bruce E. Peacock assists both domestic and global companies secure, protect and defend their intellectual property rights. He specializes in patent and trademark enforcement and prosecution.

He has solicited mechanical and chemical patents in the following technological areas:

- Organic and polymer chemistry
- Complex pulp and paper machinery
- Plastics processing equipment
- Automotive and marine structural components
- Water treatment and petroleum processing additives
- Sealants, caulks, adhesives, and cement
- Cathodic sputtering equipment
- Metallurgical methods

Bruce has enforced and defended trademark and patent causes relating to:

- Color and product configuration trademarks
- Medical instruments
- Pulp and paper equipment
- Spraying mechanisms

He counsels clients on day-to-day business including patent and trademark validity, infringement, right to use opinions and licensing matters. Due to his extensive experience and background, Bruce has also been interviewed by The Wall Street Journal.
